Shelly Rounds Honored as Entrepreneur of 2008 *Las Vegas Chamber of Commerce recognizes IT-company CEO*

(Las Vegas) – UptimeLV, a Las Vegas-based information technology infrastructure design, maintenance, and support company, today announced its chief executive officer, Shelly Rounds, has been named “Entrepreneur of the Year” by the Las Vegas Chamber of Commerce.

“This is a great honor that the Las Vegas Chamber has given us,” said Rounds. “It recognizes not only my efforts in the business community, but also the impact that uptimeLV has had on many Las Vegas businesses.”

Rounds accepted the award at the third annual Small Business Excellence Awards luncheon hosted by the Las Vegas Chamber of Commerce on Tuesday, Sept. 16. Held at the Rio All-Suite Hotel & Casino, the BizE’s honors small businesses, entrepreneurs and non-profits that epitomize excellence.

With her drive for success and results, Rounds founded uptimeLV seven years ago and has shaped the company into one of Nevada’s foremost information technology firms. Rounds has more than 20 years of business management and marketing experience in various industries, including customer service and system operations. Since 2001, uptimeLV has continually grown its services, client base and revenue. The company garnered the honor for “Innovative Business of the Year” during the Chamber’s inaugural Small Business Excellence Awards in 2006.

Established in 2001, uptimeLV is a full-service infrastructure support and maintenance company specializing in project management and business consulting. Microsoft has ranked uptimeLV first in the state of Nevada for its engineering expertise and certifications. The Las Vegas-based firm is headquartered at 6280 S. Valley View Blvd., Ste. 416 and can be reached at (702) 407-2387. The Web site can be accessed at www.uptimeLV.com.
